2022-2-DE02-KA210-VET-000092564

Building Our Future With A Green Way

Note: Please respond to the following questions with either "Yes" or "No."

1- Do you believe that the objectives of the mobility program were effectively achieved?

Yes

No

2- Did the mobility program contribute to your knowledge and understanding of ecological building and renewable energy sources?

Yes

No

3- Was the visit to the "Kö-Bogen 2" Complex, Europe's largest green facade, impactful in terms of climate protection awareness?

Yes

No

4- Did the green architect-guided visit to the area near the main station in Düsseldorf leave a positive impression on you?

Yes

No

5- Did the seminar on water-saving technologies for buildings provide valuable insights?

Yes

No

6- Was the visit to the City Museum in Essen, exploring elements of architecture and art collections, interesting to you?

Yes

No

7- Did the workshop on writing a persuasive article about renewable power plants enhance your understanding of the topic?

Yes

No

8- Was the visit to the Red Dot Museum in Essen inspiring in terms of environmentalist creativity?

Yes

No

9- Did the closing ceremony meet your expectations, including the delivery of participation certificates?

Yes

No

10- Do you believe that the mobility program had an overall positive impact on your professional development and teaching approach?

Yes

No

2022-2-DE02-KA210-VET-000092564

Building Our Future With A Green Way

Note: Please respond to the following questions with either "Yes" or "No."

1- Was the information provided about the mobility program, including the activities and schedule, sufficient for your understanding?

Yes

No

2- Do you feel that the objectives and expectations of the mobility program are clear to you?

Yes

No

3- Are you excited about the city observation trip in Dusseldorf and the critical thinking activity about the city and ecology?

Yes

No

4- Are you familiar with different types of alternative or renewable energy sources before the seminar?

Yes

No

5- Does the visit to the "Kö-Bogen 2" Complex, Europe's largest green facade, align with your interests in climate protection?

Yes

No

6- Are you looking forward to the green architect-guided visit to the area near the main station in Düsseldorf?

Yes

No

7- Are you interested in learning about water-saving technologies for buildings during the seminar?

Yes

No

8- Does the visit to the City Museum in Essen, exploring elements of architecture and art collections, appeal to you?

Yes

No

9- Are you ready to actively participate in a workshop writing a persuasive article on the development of more renewable power plants?

Yes

No

10- Do you have expectations for the closing ceremony, including the delivery of participation certificates?

Yes

No
